

## Joining C3 as an Accredited Employer

### Best Practices

\*Sub-tiers must be enrolled in C3 before they can be invited to a project.

\*Workers who are not in the C3 Database, or do not have proper OSHA credentials uploaded, are not permitted to work on C3 projects until they have been entered.

## Joining C3 as a Project Participant

\*Sub-tiers must be enrolled in C3 before they can be invited to a project.

\*Workers who are not in the C3 Database, or do not have proper OSHA credentials uploaded, are not permitted to work on C3 projects until they have been entered.
